Update / Reports

Dear Brothers & Sisters in Christ

Greetings in the name of the Lord Jesus Christ ...

I wanted to give you a brief report about "**RCCM Youth Camp 2012**". We are so grateful to the Lord for His Kindness and Love and the combination of His Grace released through much prayer and fasting for this Youth Camp 2012.

Father God really broke through into the hearts of all who were at camp 2012, Youngsters and leaders. As **Pastor Tahir Saleem** spoke God's heart and love for the youngsters and leaders, and also we invited to Guest Pastors for this Youth Camp 2012 as a Speaker. We were all challenged and changed. When we come to him in simplicity, He can minister to the most complex issues of our lives, no matter how young or old we are, and Lord Jesus Christ did just that at this Youth Camp 2012.

I and all the leaders and campers bless you for your prayer and support, words of encouragement and financial generosity. There is always work to be done and we cannot do it alone - thank you for joining in with us again this year 2012.

During these days God was so great that He showed His sign and wonders in 55 young people and through His Holy Spirit He touched 22 people's life. Holy Spirit changed them and given their heart to Jesus Christ, as a personal Savior. In which 18 people who were thirsty for the Holy Spirit they got Holy Spirit in their life and more than 32 people is ready for water baptism. It is all glory to the Lamb of God. He is helping us to bring revival in the Pakistani young people and He is leading to us through the light.

"**Father** we ask for your abundant blessing to be upon every camper that you'd rain on the seeds you planted in their hearts and cause them to grow. **Holy Spirit**, thank you that you never leave them or forsake them, that no matter what or where they've gone back to, you are faithful to complete what you've begun in them. **Jesus**, thank you for the life of victory and destiny that you have for each one, that they will know the fullness of all that you paid for and did on the cross for us.

We love you!" **Bless you all.**

I am looking forward to hear from you with the blessing of Christ soon.

Good blessing on all of you.

Yours brother in Christ

To be born in Christian family it does not mean that we are Christian and if we want to become true believer then we need to get Jesus in our Heart – which I got this great message in this Youth Camp 2012 during the preaching session of Pastor Tahir Saleem – what a great message God has given to me and my life just blessed and in this Youth 2012 Camp when Tahir Saleem shared the Word of God I started weeping, my tear was running down I could not understand what is going on and when brother Tahir said that those who want the Holy Spirit and get Jesus in your heart as a personal savior just stand up and When I stood in the presence of the Lord. Suddenly light came upon me and I started speaking in tongues. First of all I thank to the Lord for His kindness and mercy upon me and Brother Tahir Saleem that they arranged this Youth Camp 2012 who just change my life after these five days. Praise to the Lord Jesus Christ!!!

My testimony is like that I accepted Jesus Christ in 1997 since that time I was praying for the Holy Spirit. But home problem, difficulties and lack of finance I was very dishearten but Brother Tahir Encourage me and told me about this youth Camp 2012 and share about previous Youth Camps that how God helped & blessed young people. I did not want come in this Youth Camp 2012, because so much difficulties and problem going on.

And now as a participant in this Youth Camp 2012 – God just touched my heart miraculous and to join this youth camp 2012 is great Experience in my life and as Pastor Tahir teaching that not trust on men but trust on God then all things will be possible... But through this Great Teaching and preaching of Pastor Tahir - God did great and wonderful work in my life during these last five days. Right now I am so blessed and I confess that God forgive me and thanks God who is Gracious and companionate, slow in anger but rich in love.

Please pray for all of us that God open more door for those who are hungry & thirsty for this!!!
